4. Other Business

A. Wellness Center Shot Clock: Received a bid from Marshall Evans electrical to install the shot clocks in the amount of \$1,995.00. The price of the two shot clocks would be \$7,799.00. Still need to find a lift for installation, that will not mess with the floor. Taryn will look into rentals. There is one in the General Store at Ruby's, maybe we can rent it? We can lay out something on the floor, so the lift is not driven directly on it. Taryn will reach out to Marshall Evans to see when they can schedule. Keep on agenda for final plan.

B. Weight Room Preventative Maintenance: Upper Limit came last year and performed preventative maintenance on the weight room equipment. They quoted the same price to return this year. The total cost would be \$515.00-\$265.00 for the travel and \$250.00 for maintenance on the fitness equipment. Some equipment items are still under warranty. Motion to approve the annual preventative maintenance cost of \$515.00 made by Gary, 2nd by Kam, Bryce yes, Cherrie yes.

5. Department Reports:

Mayor Syrett: Attended the BV Prevention Coalition meeting, Beverly Peterson has stepped down as the coordinator, will stay on the team but they will open the position possibly full time. They will be holding the Guiding Good Choices class for parents in June. There is a community corn hole tournament in Tropic on April 30th, at the Heritage Center at 8:00 PM. This is in conjunction with the Gifts for Grady-Celebrate Life days.

Bryce Syrett: Straight Stripe wants to bring in a representative to show us their product Monday morning. They want to show why their product is better than the HA5. Will be good to learn about it. Fix stop sign at 100 North that was knocked down. Taryn needs to figure out clarification with Blue Stakes. Put the request in online and it was denied based on the address, so Taryn will call them. Ron

does have a list of addresses we can get a copy of if needed. Klay mentioned they need to put other signs up, he met with Jean on them.

Kam Roundy: Working with Taryn on flooring on north corner of the Wellness Center gym, they will call on it today.

Cherrie Tebbs: Two individuals purchased cemetery plots. Gordan Topham and his wife. They met here but currently live in Monroe. Will put on next agenda for official vote next meeting. Nine scholarship applications were received. Two were late and will be disqualified. We will award scholarships to the three from Escalante, two from Panguitch and two from Bryce Valley that were on time. We give out eight scholarships, so all seven will qualify.

Deanna Moore: Monica Taylor has asked for Deanna's help with the Hospital Foundation and their annual Hospital dinner, Festival of Trees, and golf tournament. Deanna has helped in prior years. They will work on gaining support from the Piute area. Monica will let Deanna know of what is needed for the events. Not much happening on bike trail in Red Canyon. – Chris W did promise it will be ready for the Canyon 2 Canyon.

Deanne Brown, new Administrator at Garfield Memorial Hospital reached out regarding the mobile clinic. They might not be bringing it back out. Financially it did not make sense having it here. They will only take it to Glendale right now.
